All tuition charges should have been paid by April 15th for Preschoolers. (Academy students have one more tuition payment due May 15th for the 2016-2017 school year.) The only outstanding fees should then be for any early or late extended care that was used in April and what will be used in May. May extended statements will be handed to the parents on May 25th. This payment should be made no later than May 26th. Both April and May's extended statements must be paid upon receipt of the statement. If any outstanding balances remain your child will not be able to attend camp or in the fall until the fees are paid in full. According to our Parent Handbook, if payments are not made within 90 days, the account will be forwarded to the Akron Credit Bureau for collections. Payments can be transacted online (24 hours), by mail, or in person at the school.
